Ms. Diane Schaefer  
106 Woodcleft Ave., Suite C  
Freeport, NY 11520

Dear Ms. Schaefer,

On behalf of Hudson Valley Cerebral Palsy Association, its Board of Directors, and the many people who experience disabilities that the Agency serves, I want to thank you for your support of the Ninth Annual "Swing for Opportunity" Cash Raffle. Your generous donation of One Hundred Dollars (\$100.00) helped make this event not only a celebration for our community, but also serves to support the Agency's vision of providing opportunities for all individuals to live in their community and realize their potential. No goods or services were provided in exchange for your contribution.

Hudson Valley Cerebral Palsy Association's mission is to provide all individuals, regardless of whether they experience a disability, an opportunity to live full and productive lives. This event raised both public awareness about the services that the agency provides, as well as generated funds to help the agency continue to assure the quality of life of citizens who experience disabilities, and their families.

Once again, I wish to thank you for partnering with us in this endeavor, and for your exceptional commitment to supporting the Agency's mission.

Sincerely,

Howard Yager  
Executive Director
