Dear Supporter,

On behalf of The Hance Family Foundation, we would like to express our gratitude for the generous donation of \$300.00 which we received on 9/26/09.

The goal of the Hance Family Foundation is to honor the memories of Emma, Alyson and Kate Hance by protecting, supporting and cherishing childhood and by helping as many children as possible, in as many ways as possible. With donations from contributors such as you, the foundation champions projects that enhance children's physical, emotional, and social well-being.

To find out more about how your generosity has made a difference, please visit The Hance Family Foundation web site at www.hancefamilyfoundation.org.

Healthy, safe and happy children are the highest priority for the Hance Family Foundation.

With warmest appreciation,

Robert C. Votruba
Director
Hance Family Foundation
